

**TEEN Virtual Academy  
2021-22  
Handbook**

The TEEN Virtual Academy is a fully accredited virtual program for grades 6-12 and adults, created by the four school districts of USD 398 Peabody-Burns, USD 408 Marion, USD 410 Hillsboro, and USD 487 Herington, all of which are a part of the Technology Excellence in Education Network Interlocal. The program provides a high quality, web-based curriculum that allows you the convenience of working towards your high school diploma from home.

All of our courses are taught by Kansas certified teachers. These teachers will be able to provide assistance by phone, email, in person and via videoconferencing if needed.

**ENROLLMENT**

Enrollment procedures require the completion and submission of the TEEN Virtual Academy enrollment form, Home Language Survey and any other specified documents necessary each school year.

If you are residing in one of the four districts listed above, you will be enrolled in the virtual program as a student in that district. If you are an out-of-district student, you will be assigned to one of our four districts to be enrolled in and receive your diploma. We will also consider requests to be enrolled in a certain district.

Upon acceptance into the TEEN Virtual Academy, both the student and parent(s) (if student is under the age of 18) will be required to attend an orientation meeting either in person or via videoconference. The TEEN Virtual Academy director will provide information to students and parents regarding the Edgenuity e-learning system, Canvas Learning Management System, laptop usage, grading policies, mandatory count days, handbook review and any other relevant virtual program information.

### **ATTENDANCE/COURSE PROGRESS (19 and UNDER STUDENTS ONLY)**

A full time virtual student is expected to spend approximately 25 or more hours per week completing coursework. While study time is flexible, students should demonstrate consistent progress toward course completion. Progress schedules will be provided to assist students in meeting completion dates. These are available in the Edgenuity courses.

### **ATTENDANCE/COURSE PROGRESS (ADULTS 20 AND OVER ONLY)**

An adult learner is expected to spend the appropriate amount of time each week on their courses to earn the minimum of 1.5 credits per school year. Adult learners are encouraged to earn more than 1.5 credits per school year. If an adult (20 and older) student does not earn at least 0.5 credits in the current school year, they will be removed from the program at the end of the school year.

### **TRUANCY REPORTING (17 and UNDER STUDENTS ONLY)**

If a student does not comply with the weekly attendance and progress requirement, the student and parent will receive a warning notice by e-mail and/or phone call (Level 1). If another week passes and the student has not met the program requirements, the student and parent will receive a 2<sup>nd</sup> warning notice by email and/or phone call (Level 2). If there is a 3<sup>rd</sup> non-compliance week then the student will be considered truant and the proper authorities will be notified (Level 3). At the time of truancy reporting parents are required to contact the building principal or counselor and TVA director in order to determine an educational plan for the student.

### **MANDATORY ATTENDANCE DAYS (19 and UNDER STUDENTS ONLY)**

TEEN Virtual Academy students are **REQUIRED** to be logged in and working on their courses for 6-hours (excluding breaks and meals) on 2 separate days in the fall semester. The first count day will be scheduled by the TEEN Virtual Academy director individually with each student on or before September 20 and the second day will be scheduled between September 21 and October 4. The two mandatory working days are very important to ensure the funding that allows our organization to offer you this free program.

Parent-Teacher Conferences will be scheduled with students and families via phone or face-to-face one time per semester. The face-to-face conferences could take place in person or via videoconferencing technologies. If sufficient communication in regards to the student has been taking place during the semester, it may not be necessary to schedule a formal parent-teacher conference.

Additional conferences may be scheduled at any time at the request of the teacher or parent or on an as-needed basis. Teacher contact information will be provided upon course enrollment.

### **ACADEMIC INTEGRITY**

It is the responsibility of the student and parents to promote academic integrity. As a student of the TEEN Virtual Academy I agree to adhere to the following:

- I will not provide unethical academic assistance to other students.
- I will not accept unethical academic assistance from anyone else while enrolled as a student of the TEEN Virtual Academy.
- I understand that any violation of academic integrity may result in disciplinary action by the administration and may be grounds for dismissal from the program.

A DSL or faster connection speed is required to be able to use the video component of web conferencing. The TEEN Virtual Academy will not be able to provide internet filtering on laptops. This is the responsibility of the parents/guardians.

Parents and students must maintain an e-mail address for use in communicating with teachers and the TVA Director.

If the laptop is not returned to the TEEN Virtual Academy within 30 days after withdrawal or graduation, the laptop will be reported as stolen to the proper authorities.

### **SPECIAL EDUCATION SERVICES**

Students with disabilities, as defined by their IEP, who wish to enroll in the TEEN Virtual Academy will be allowed to do so upon review by the IEP team in the individual district in which the student wishes to enroll. If the IEP team determines it is an appropriate placement for the student, the student will be admitted to the TEEN Virtual Academy.

Students will receive special education services through our local special education cooperatives.
